Imagine a romantic rail journey across mid-America to breath-taking Niagara Falls! Imagine a leisurely cruise up the Gulf of St. Lawrence and through New England! Imagine the history and scenery of Quebec Province! Imagine walking on the Freedom Trail in Boston or under the lights of Time Square!

The SimSolTravel 2nd Honeymoon Excursion starts in out west and heads east on the fabulous California Zephyr to Chicago. Enjoy the beauty of America's heartland from the comfort of your sleeping compartment or from the vista dome observation car. After a short layover in Chicago, it's on to Buffalo, NY, on the Lake Shore Limited and then to Niagara Falls on the Maple Leaf. Relax as you cruise the rails that expanded the country.

After the romance and beauty of Niagara Falls you board Canada Rail to either Montreal or Quebec City for several nights of romantic Old World charm in the French Canadian province of Quebec.

From Montreal or Quebec City it's All Aboard! on a cruise ship to enjoy a leisurely journey up the St. Lawrence River and down the coast of New England, enjoying the activities, adventure and history of the many ports-of-call along the way.

After the cruise docks you enjoy the rich history of Boston or the glamour and adventure of New York City. Either way you finish the trip with another romantic rail journey back to the west on the Lake Shore Limited to Chicago and then the California Zephyr.

The SimSolTravel **2nd Honeymoon Excursion** package provides a hassle-free way to enjoy an extended cruise, a romantic getaway, historic sight-seeing and as many, or as few, extra adventures as suites your fancy. The length of the Excursion varies depending on the number of nights in each city and the length of the cruise. Starting with an itinerary of two nights in each city and a seven night cruise, the three week Excursion can be extended to suit your preferences. The choice of any of several cruise lines means that the Excursion can be tailored to fit the budget of the cost-conscious, the needs of the luxurious or anything in between.

The SimSolTravel **2nd Honeymoon Excursion** package was designed by Tim and Beth, the owners of SimSolTravel, for their 2nd honeymoon. They have personally tested the itinerary from Denver to Montreal to Boston and can provide insights and details only possible by someone with actual "been there, done that" experience. Because they have also traveled on the California Zephyr many times between Denver and San Francisco, the **2nd Honeymoon Excursion** can be designed to originate from other cities on that route with the same attention to detail.
